

Review for Midterm

Andreas Klappenecker

Topics

- Everything up to now (including Topological Sort)

FAQ

FAQ

- Q: Will X, Y or Z be on the exam?

FAQ

- Q: Will X, Y or Z be on the exam?
- A: Perhaps. Likely. Maybe.

FAQ

- Q: Should I read the textbook or is the syllabus enough?
- A: Most definitely the textbook.

Seriously

- The course website contains all the information you might need.
- It provides the lecture notes
- You can review the homework problems
- Take a look at your quizzes
- You do want to read the textbook.
- Make sure that you understand the key elements of the algorithms and know their complexity.
