Problem 1. (40 points) [Joint team submission] Start writing your term paper and submit the current snapshot.

a) The paper should contain the project title, name of team members, affiliations of team members (including e-mail addresses of team members), outline your paper. Include problem statement and goals, background, related work, literature, and preferably first results.

b) Please include a section that carefully specifies the tasks that each team member has to perform over the break, including measurable deliverables (e.g. team member α will write draft of a section on xyz).

Typeset your paper in L^AT_EX using the IEEEtran.cls format (available from CTAN).

Solution.

Problem 2. (10 points) [Your own individual report] Please give a report on your group meetings. How often have you met and how long? Are your meetings effective or not? Are all team members engaged in the research? Can you think of ways to improve your productivity?

Solution.

Discussions on piazza are always encouraged, especially to clarify concepts that were introduced in the lecture. However, discussions of homework problems on piazza should not contain spoilers. It is okay to ask for clarifications concerning homework questions if needed.
